MEMORIES AND NOTES

The Tamarac Veterans Honor Wall

In the spring of 2015, the City directed the Public Art Committee to commission a public art piece that would serve as a tribute to Tamarac's veterans. Zac Knudson, The Glass Artist, is responsible for the concept, fabrication, and installation of the "Veterans Tribute Wall" here at Tamarac Veterans' Park. The project has come to be known as Tamarac's "Veterans Honor Wall".

The Honor Wall recognizes Tamarac residents, past or present, who have served honorably in the U.S. military. It includes the names of resident veterans, both living and deceased along with their branch of service, rank, and years of service.

On Memorial Day 2016, the Veterans Honor Wall was unveiled. It included two artistic entry panels and six panels featuring the names of 600 Veterans. On Veterans Day 2016, we unveiled panels 7 & 8 featuring 200 more names. This project has been a collaboration between the City, Tamarac Historical Society, the City's Public Art and Veterans Affairs Committees. Thanks to the efforts of these groups, a ninth panel was unveiled on Veterans Day 2017, bringing the total to 900 Tamarac Veterans being honored.

The Honor Wall project has been paid for completely through the City's Public Art Fund. This money comes from a public art fee generated from the construction value of improvements to property in the City.

We are continuing to collect names for future panels. Once we collect the next 100, the fabrication of the next panel will be scheduled. Applications are available on the City's website, at City Hall, the Tamarac Community Center, and the Parks and Recreation Administration Building. Proof of Tamarac residency and an Honorable Discharge are required.
